Business & Expansion (BRE) Survey closes

Date and Time: Friday, May 24 6:00 am - 6:00 pm

Lacombe County is excited to announce the launch of our [Business Retention and Expansion \(BRE\) Survey](#). We are calling upon the business community to complete a 5- to 10-minute BRE survey to plan for future economic development activities focused on the top priorities of local businesses. Your input is invaluable in helping the County understand the current business climate, identify challenges, and explore opportunities for growth within our community.

The survey opens on May 7 and runs until May 24, 2024.

[Access the survey here](#)

The BRE survey provides the County with essential insights into:

- **Business Needs and Challenges:** Understanding the specific needs and challenges businesses face in our community allows the County to tailor support programs and resources more effectively.
- **Growth Opportunities:** Identifying growth opportunities helps the County align our economic development efforts with the evolving needs of local businesses, fostering innovation and sustainable development.
- **Policy Development:** Results inform policy decisions to create a conducive business environment, promote entrepreneurship, and attract investment.
