### PUBLIC MEETING | Animals in Residential Districts

Date and Time: Thursday, November 14 7:00 pm

Lacombe County is considering updating regulations on the keeping of animals in residential districts, and is gathering the community's thoughts on the topic.

Animals include things like livestock, chickens or bees, but DOES NOT include domestic pets such as dogs or cats or others that are typically kept indoors.

Understanding our community's opinions and preferences is invaluable for shaping the rules regarding animals in residential districts in Lacombe County. Lacombe County gathers feedback from the community to foster transparency and accountability and ensure that the community has a way to share their perspectives on matters that directly affect them.

Your thoughts matter, and we value your input!

There are two opportunities to learn more and share your thoughts.

Join Us for a PUBLIC MEETING! We are hosting an in-person public meeting at the Lacombe County office at 7:00 PM on Thursday, November 14, 2024, and we hope to see you there!

We would love to hear your thoughts in our SURVEY. The survey will open after the public meeting and close on December 1, 2024 at midnight. We encourage you to voice your opinions!
